Program

We have more than 20 years of experience in the world of student and researcher services, including exciting volunteer programs of all kinds, educational tours all over the island, and home stays for full immersion.

Our programs include, but are not limited to, a wide variety of student service learning programs and/or learning and research opportunities for interested professionals in a wide variety of fields.

We work with several universities, high schools, and educational agencies all over the U.S.A., Canada, Germany, and Switzerland.

Date: Our programs are open all year-round for your convenience

Fall: Mid- August to mid-December

Winter: January through March

Spring/Summer: March through the end of July

Participants can choose to come for a week or longer. The part of the program that requires them to teach English is very flexible in order to meet everyone's needs and interests. English-speaking volunteers have the opportunity to receive free Spanish and culture classes in return.

We offer a way to discover the Dominican culture, past and present, on our custom designed trips. Our trips go hand in hand with class curriculum while safely immersing students into the diverse Dominican lifestyles in various parts of the country.

Student Services, Inc. is looking for enthusiastic, motivated, committed people who would like to be positive role models for the Dominican and Haitian children and youths who attend our programs. We offer varied time commitments and take volunteers on a weekly, biweekly, and monthly basis, or for longer periods.

Student Services, Inc's programs, historical and cultural trips, and home stays are designed to make you feel at "home" while away from home. (But hotel stays are also an option.)

Whether your interest lies in the culture, society, economy, education at any level, medical assistance, community service and development, sports management or any other field, we can help place you.

With our assistance, your experiences in the Dominican Republic can be productive, satisfying... memorable and life-changing!
